## **THE FEI CODE OF CONDUCT**

### **FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).

### **SAMPLING**

All horses competing at FEI Events may be subject to sampling for the presence of FEI Equine Prohibited Substances in accordance with the FEI Equine Anti-Doping and Controlled Medication Regulations (EADCMRs). Horses may be selected for sampling in accordance with obligatory testing, targeted or random sampling procedures (2013 Veterinary Regulations Article 1058).

### **CLEAN SPORT INFORMATION**

The current FEI Equine Prohibited Substances List of Banned Substances and Controlled Medications is available on the FEI Clean Sport website: [www.FEICleanSport.org](http://www.FEICleanSport.org) as a PDF document, database or smart phone app. Detection times are also provided for a limited number of Controlled Medication substances where available.

Elective Testing may be carried out, by Competitors for their Horses, prior to an Event to check for the presence of prohibited substances (please refer to [www.FEI.org/veterinary](http://www.FEI.org/veterinary) for information and details).

### **FEI LABORATORY FOR SAMPLE ANALYSIS**

#### **GROUPS I & II ONLY – FEI CENTRAL LABORATORY**

Under Veterinary Regulations Chapter VI, Article 1057 within some geographical regions, as determined by the FEI Bureau, the Equine Anti-Doping Controlled Medication Programme (EADCMP) and procedure is administered by the FEI Veterinary Department. Therefore all samples collected in Groups I and II, must be analysed by the FEI Central Laboratory, currently Horseracing Forensic Laboratories (H.F.L) Sport Science, Quotient Bioresearch Limited Newmarket Road Fordham, Cambridgeshire CB7 5WW.

Samples collected outside of FEI Groups 1 and 2 may be analysed at an alternative FEI Approved Laboratory. Addresses and contact details can be found at [http://www.fei.org/sites/default/files/file/VETERINARY/Doping\\_and\\_Controlled\\_Medication/list%20of%20labs%20%2711.pdf](http://www.fei.org/sites/default/files/file/VETERINARY/Doping_and_Controlled_Medication/list%20of%20labs%20%2711.pdf).

## **7. VETERINARY TREATMENTS, SUPPORTIVE AND OTHER THERAPIES 2013** **Veterinary Regulations Chapter V**

Veterinary treatment or supportive therapy required during an Event is under the control of the FEI Veterinary Official (Veterinary Delegate) and only permitted when:

- a) authorised using the appropriate Veterinary Form (see table below, or VRs article 1047-1051), either prior to the competition or prior to administration once the competition has begun;
- b) conducted within the designated Treatment Boxes and
- c) administered by an FEI Veterinarian (VRs article 1003) or Other Treating Professional (VRs article 1021).

Heated or magnetic blankets, physical therapy, ice and cold water, non-prohibited, authorised substances that are administered orally or by nebulisation, or those treatments exceptionally authorised by the Veterinary Delegate are allowed in the Horse's own stable.

VETERINARY FORM	USE	AUTHORISED BY
<b>Veterinary Form 1</b>	Emergency treatment using a prohibited substance	Ground Jury after first consultation with the Veterinary delegates
<b>Veterinary Form 2</b>	Declaration for administration of altrenogest (Regumate) to mares	Person Responsible declaration
<b>Veterinary Form 3</b>	Authorisation for the use of medication not listed as prohibited	FEI Veterinary Delegate
<b>Veterinary Form 4</b>	Self declaration for the administration of specifically stated substances only (VRs article 1041)	FEI Veterinarian (Team Vet, Athlete Private Vet, VSM, Treating Vet) With submission to the Veterinary Delegate before administration
<b>FEI Elective Testing Form</b>	Form to accompany samples sent to a FEI Laboratory for elective testing before the event	N/A

Supervision of all such treatments by FEI Officials may take place directly on a random check basis or by requesting to see a copy of the relevant authorisation. No treatments may take place without coming under such control and authority, except in the case of a clear emergency, when a retrospective authority may be considered if the Horse is to continue.

**8. VETERINARIANS AT EVENTS  
2013 Veterinary Regulations, Chapter II**

**VETERINARY SERVICES MANAGER (VSM)**

All Organising Committees must appoint a FEI Veterinarian as a Veterinary Services Manager to be responsible for assisting the organiser in achieving the Minimum Veterinary Standards and facilities required for an FEI Event. The VSM must ensure sufficient numbers of treating veterinarians are available for the type of Event and the number of Horses attending. The VSM may be the event treating veterinarian themselves.

**FEI VETERINARIANS**

All veterinarians treating Horses during FEI Events, including Team Veterinarians, Athlete’s Private Veterinarians and Treating Veterinarians must be registered with the FEI as FEI Veterinarians – either Permitted Treating or Official Veterinarians. Veterinarians must carry their FEI ID Card with them at all times when in attendance at Events and must present this on the request of FEI Stewards or Officials. Athletes are advised to ensure that any veterinarian they wish to treat their Horse during an Event is registered in the correct way with the FEI. Registering as an FEI Veterinarian does not give any automatic right to having accreditation which is issued by the event Organising Committee.

**9. NOTES TO ORGANISING COMMITTEES**

FEI Veterinary Delegates must verify that adequate facilities and services are provided by the Organising Committee prior to the start of the Event, and ensure that FEI Stewards are aware of the requirements for the authorisation of Veterinary Forms, other treatments and the FEI Veterinarian ID Card during Events.

Organising Committees must also ensure that there are adequately trained stewards or

designated individuals who will liaise with FEI Veterinary Officials to assist with the supervision of treatment areas. The Veterinary Forms 1-4 must be kept by the FEI Veterinary Delegate, referenced and submitted in their report to the FEI within 72 hours.

## Norwegian anti-doping Regulations and Rules

### **Extract from the Norwegian Regulations (unofficial translation and shortened version):**

The Regulation on prohibition against doping of horses, given by the Royal Ministry of Agriculture on March 1<sup>st</sup> 2007 according to Law of June 19<sup>th</sup> 2009 no 97 on Animal welfare §9, § 19 and § 26, impose that all organisations organising competitions with horses shall have rules that define:

- What treatment that prohibits the horse to compete the rest of the horses lifetime
- What treatment that prohibits the horse to compete during a certain time
- The withdrawal times for those treatments
- The level of drugs and other substances witch can be regarded as active and prohibits the horse to compete
- Prohibition of storing of drugs and treatment equipment at the competition area
- ... .

The Norwegian Trotting Association has made a document "Forbuds- og karenstidsliste 2011" with a Prohibited list and a Withdrawal time list in corporation with the Nordic Equine Medication and Antidoping Committee (NEMAC). To have a common understanding in all horse sport in Norway, the Jockey Club and the Norwegian Equestrian Federation have decided to use this document concerning Prohibited list and Withdrawal times as part of the rules imposed by the National Regulation above.

Notice: Where the "Forbuds- og karenstidsliste 2011" is stricter than FEI rules (FEI Veterinary regulations and FEI Equine Anti-Doping and Controlled Regulations) this document overrules the FEI rules at FEI competitions i Norway since this is imposed by the Norwegian Regulations.

The document may be revised several times a year. This document is effective from January 1<sup>st</sup> 2011. New edition or changes will be announced on: [Reglement - Travsport.no](http://Reglement - Travsport.no).

### **DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS PRIZE MONEY**

According to Norwegian law: 15% tax to be deducted from the prize money.

#### **IMPORTANT**

**The total amount of prize money shown for each Competition in the schedule must be distributed. (GR Art 127, 128)**

For details of the Breakdown for each competition please refer to the tables at the end of this document; the OC must specify which of the two tables will be used. The total prize money for the competition must be distributed among the first 12 placed athletes. The OC must provide additional created prizes for athletes placed beyond 12<sup>th</sup> place. The minimum amount for each of these additional prizes, for athletes placed from 13<sup>th</sup> to last place, must be clearly specified in the approved schedule.

#### **IMPORTANT**

**Maximum Number of starters per competition: 100.**

If more than 100 starters are entered, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

**The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.**

**OR**

**The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.**

**In both cases above each group must offer the same amount of prize money as indicated for the original Competition.**

## Annex I FEI Entry System

**The FEI Entry System will be deployed gradually starting 1<sup>st</sup> January 2013, involving in the beginning some pilot NFs. The concerned NFs have already been contacted by the FEI IT Department. The full deployment of the FEI Entry System is expected by July 2013.**

**The calendar of selected events for the gradual launch of the FEI Entry System can be found on our website :**

[http://www.fei.org/sites/default/files/file/ITNews/List\\_of\\_Events\\_for\\_Gradual\\_Launch.pdf](http://www.fei.org/sites/default/files/file/ITNews/List_of_Events_for_Gradual_Launch.pdf)

The FEI Entry System for FEI Events will be mandatory starting in 2013 for all FEI events.

FEI Entry system is a key process in sport that involves all event stakeholders: National federations, Organising committees and the FEI

This new service for the national federations and the OCs improves exchange, communication between the OC and the invited federations and gives a better quality and traceability of the data.

All information regarding the FEI Entry System like tutorials videos, FAQ and other useful links and documents can be find on our website by following this link:
